

## **SVEAFASTIGHETER ANNOUNCES CHANGES IN EXECUTIVE MANAGEMENT**

Sveafastigheter announces that Martina Lous-Christensen will leave the company today as CFO. The recruitment process for a new CFO will begin immediately.

An organisational change will also be implemented during the recruitment process. Finance and accounting will be split into two separate units. Kristel Eismann, Head of Treasury and IR, will continue to be responsible for finance, while an interim Accounting Manager will be appointed to manage the accounting department. Both functions will report directly to the CEO.

“I would like to thank Martina for her work as CFO during a defining time for the company where she was an important part of the team that ensured the successful listing of the company last fall”, says Erik Hävermark, CEO of Sveafastigheter.
